Truths that Make us Sing

Q79: Where is Christ now?

Christ rose bodily from the grave on the third day after his death and is seated at the right hand of the Father, ruling his Kingdom and interceding for us, until he returns to judge and renew the world.

Q80: What does Christ's resurrection mean for us?

Christ triumphed over sin and death by being physically resurrected, so that all who trust in him are raised to new life in this world and to everlasting life in the world to come. Just as we will one day be resurrected, so this world will one day be restored. But those who do not trust in Christ will experience eternal punishment.
